

Dear Chamber Member,

Thank you for your interest in our opportunities with a President's Club Membership. These packages will give you additional visibility and promotions as a business leader in our community.

Many businesses benefit from making higher-level investments to the Chamber through sponsorships. President's Club Sponsorship provides businesses the opportunity to demonstrate their community involvement while offering expanded visibility. The companies included are true business and community leaders who have chosen to go the extra mile in their volunteer leadership and financial support of the Chamber. Through their significant commitment, President's Club members help the Chamber realize its vision to enhance the business environment for its members and the community. This commitment is in addition to regular membership fees.

The year 2019 promises to be a year of growth and progress for the Kinston-Lenoir County Chamber of Commerce. Our goal is to provide programs and events that make a significant difference for our business community. Together we can continue working towards stimulating a healthy business economy for the future.

The President's Club program offers interested businesses the opportunity to choose a yearly package that will help fund special programs and events organized by the Chamber.

The Chamber will provide our President's Club members with:

- recognition and event benefits that fit the program of your choice
- an easy way to plan and budget sponsorship dollars ahead of time
